In an attempt to provide our players with a chance to play soccer in the winter, SSC has added an Indoor Instructional Soccer session.

THIS IS NOT ARENA STYLE SOCCER as you may have seen at our local indoor arenas. There are no walls. This is an indoor soccer field, surrounded by net drapes to catch the ball if it goes out of bounds. Play is then stopped and the ball is brought back in to play with a kick-in (instead of a throw-in).

This is a non-compete league following the same guidelines and team selection process as our outdoor Instructional sessions. Its focus is to continue to let the players have fun playing soccer at their own pace in as close to a typical outdoor soccer environment as possible except indoors.

Our Indoor session is very similar to our Schererville Soccer Club Instructional outdoor sessions. They are SSC teams/players playing SSC teams/players. Coaches are not allowed to bring teams in to play. An attempt is made to group ages and genders in a manner that should keep the teams fair. All the same SAY and SSC guidelines and code of conducts are followed with an adapted set of rules for the indoor field.

Highlights of our indoor session:

1. One session of ten (10) games.
2. Season starts in November and goes through January with a break for Thanksgiving Weekend, the Christmas Holiday, and possibly New Year's - if it falls on a weekend.
3. Minimum Age is 6 as of November 1st.
4. Age groups: U9 (6, 7, & 8 year olds), U12 (9, 10 and 11 year olds) and U15 (12, 13 & 14 year olds). Age groups are subject to change based on the number of signups for each group.
5. No practices, just games
6. NO jewelry (NO Exceptions), MUST wear shin guards to play, NO spikes - wear gym shoes or indoor soccer shoes.
7. Always bring a water bottle and dress appropriately. While this is indoors, the field can still be cold on those early morning games (depending on the temperature outdoors).
8. Location is at CP Sports, 1516 North Main Street, Crown Point. CP has one of the area's premiere indoor soccer fields. It is the closest to playing outdoors you can find.

9. For more details see the Indoor Rules.
