RECYCLE YOUR GEAR!

Once again we are asking our soccer community to **donate** soccer gear you no longer need during our In-Person Registrations! **Help others and get clutter free!** Donate your shoes, shin guards, balls, shorts, and socks (please bring clean shorts and socks). **This is also an Exchange of Gear and you can take what you need!** Volunteers definitely needed and much appreciated!! If you cannot make it to registration but can still donate, need gear, or can volunteer, please call Kathy 365-8824 / 741-0702

PARENTS !!! Our need for assistance grows each season! Please give thought to coaching a team. Check the appropriate box on the registration form. Our constant growth means we risk the possibility of limiting player registrations if we cannot get enough participation and volunteers. No experience necessary. We will have a coaching clinic before practices begin to help you!
